

# Umm Sulaymaan

RasulAllah ﷺ was asked: "What is the greatest of imān?"

He replied: "hijrah"

"What is the greatest of hijrah?"

"Jihad"

وَبَشِّرِ الصَّابِرِينَ

unraveling prophecies, progression right before our eyes.

Clueless to whats to come to them,

as for us we'll improvise.

Swarming mujahideen,

Bela! we'll inquire those Gharqad trees.

The kuffar dont stand a chance

and the haqq is plain to see.

So clothe your utensils and withdraw your sword from its sheath.

We aren't a people who squander, rather ones with dirty feet.

Every step we take marks history,

our death begets life.

Our abandonment is the cause of injury...

Oh ummah! gather your rifles and bury your desires,

for we wont rest till we taste victory!
